Dear NPINO Moderator. This message is NOT SPAM. As with all of my needs to use NPINO Disqus Tool for a very real purpose, your censorship of my postings here is unwarranted. Should it happen, this time, I will properly process an [ abuse ] for cover-up of a conspiracy.

Within this KAREO PATIENT PORTAL Communications To This Doctor is mentioned about the possible conflict of interests with American National Security Implied. I am very serious about how this matter must be professionally processed by all persons. I am not the enemy. Truth is your enemy. Time is your enemy. Not me. The mention of the FBI has been placed into reference in email to: Care@InlandPsych.com ---- Let us assume that everyone can maintain their professionalism and properly represent care instead of being an enemy of the United States of America in some grand scheme of Cyber-Warfare --- ok?

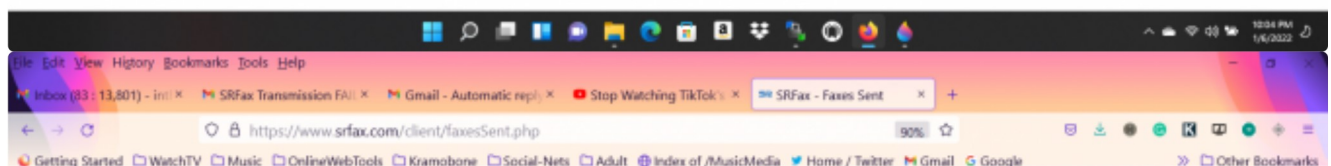

BTW: I will have a copy of this NPINO Page if it is removed, Everything will be then forwarded to the FBI and the DEPARTMENT of JUSTICE. Do you hear me?
